

Little guide how to reach UJEP

◆ *By city bus from the airport*

If you would like to reach train station **Praha Hlavní nádraží**, you must go out the arrival airport hall. Before you leave the hall buy one ticket only for bus and U-tube together. This basic ticket for adults (with validity 75 minutes from the marking in the gate at the U-tube enter) costs CZK 26,-. There is bus station **no. 119**. This bus goes toward city center. Last stop is „**Dejvická**“ station. Just at that station is U-tube/metro station „**Dejvická**“ (**green line A**). The journey by bus takes about 20 minutes. The bus goes every 20 minutes.

◆ *By U-tube through Prague city center*

Use U-tube **direction Skalka** (it's last station on line A, but not your final stop). You have to **change** green line **A** after five stops **to red line C** at „**Muzeum**“ station, direction „**Nádraží Holešovice**“ (it's last station on line C, but not your final stop). Leave the U-tube at „**Hlavní nádraží**“ station. This way you will reach main railway station.

◆ *By train from Prague to Ústí*

On the main railway station don't forget to buy ticket **to Ústí nad Labem** (station **Ústí nad Labem – hlavní nádraží**) The ticket costs about CZK 180,- i.e. cca € 7,-. The way to Ústí takes from 1 to 2 hours (100 km), depending on connection. The best is to travel by EuroCity trains. Such comfortable connection to Ústí is direct, i.e. without any stop. The price is without any excess fare in comparison to ordinary express train connection.

◆ *By city bus to UJEP*

When you enter to Ústí nad Labem, leave the railway station and go direction to the **Mírové náměstí** square (in crowd together with the others). There is one street named **V Jirchářích** going directly from the railway station to bus station. There is candy shop **Barborka** just beside bus stations. Buy bus ticket at automatic machine standing there (30 minutes validity for adults costs CZK 15,-) and catch **trolleybus no. 52** or **58** direction **Klíše**. They go regularly every 20 minutes. Your final stop is **Klíše lázně** (it is 8th stop of the bus taking about 10 minutes). When you get out from the trolleybus on Klíše lázně stop, there is a dormitory just in front of you (three 15 floor high apartment building), your new home for few months at UJEP - at Ústí. Finally you are here.

Welcome!

If you contact our Erasmus coordinators or UJEP international relation officers before your arrival there will be a guide-person waiting for you in front of the dormitory providing your accommodation and ready to answer your eventual questions regarding study issues.
